

Dear Neighbors,

**The Berwyn Heights Boys and Girls Club** proudly announces our **“Wall of Gratitude”** Buy-a-Brick fundraising campaign.

The Berwyn Heights Boys and Girls Club invites you to become an integral and permanent part of our new concession/storage facility at the Pontiac Street fields. The new building will have a long wall facing the playing fields and the elementary school, which we will cover in personalized, engraved bricks.

***This is a truly unique opportunity for the entire community to come together to show our ‘concrete’ support of our youth and the volunteer-run Boys and Girls Club!***

These bricks will truly represent all of Berwyn Heights- our families, organizations, businesses...in short, ***our entire community coming together*** to support one of the finest, longest standing, and important town institutions—the Berwyn Heights Boys and Girls Club. We hope to have the building constructed in the fall of 2007. By supporting the Boys and Girls Club **“Wall of Gratitude”**, you can leave a permanent family legacy in our community, and contribute to the Boys and Girls Club in a meaningful, lasting, and tax-deductible way.

Engraved on your custom brick could be:

- your family name
- a child’s name and their favorite sport(s) and years with the Club
- commemorate a past Club championship team
- a thank you to a favorite coach

Or maybe you’ve not been involved with the Club, but would still like to buy a brick.

Consider:

- your name
- your company or organization’s name
- a beloved pet
- a dedication to a loved one’s memory
- an inspirational message to the children in the Club (IE, Respect, Character, etc.)
- Anonymous donations show a great example of giving without seeking recognition

Thank you for supporting the BH BGC with your contribution to our **“Wall of Gratitude”**, With your support will be able to continue our tradition of success in promoting sportsmanship and fitness while building character and community. We look forward to joining you at our unveiling celebration! Please feel free to contact me with any questions.
